Here's your chance to achieve satisfaction by being a part of

Sunshine Volunteers.

Our program is comprised of a group of volunteers who give of their time and talents to the residents of
Glenburn Home.

If you can "carry a tune in a bucket", have a "gift of gab", feel "a little crafty", have "two left feet" or even "a green thumb", our team needs you!

We are looking for new members to conduct a variety of programs throughout the year at

Glenburn Home,
Nursing & Rehab Facility.
